

HOW TO SUBMIT CASH PAYMENTS TO YOUR DEDUCTIBLE

Please use the following checklist as a guide for the information that will be required to submit your ZendyHealth procedure cash payment to your health insurance carrier to apply to your deductible.

1. Insurance ID Card

- Send ZendyHealth Photocopy of Card**

Please take a photocopy of the front and back of your insurance ID card and send it to insurance@zendyhealth.com. We will work to identify the necessary claims form that will need to be completed, once your date of service is complete.

2. Superbill

- Get Itemized Receipt (Superbill) from Provider**

On the day of your procedure, please ask your provider office for an itemized receipt, or superbill, that will help you complete the necessary claims form to send to your insurance carrier. Please use the superbill checklist to ensure that all the components are included.

3. Claims Completion

- Send ZendyHealth Superbill**

Email your superbill to ZendyHealth and we will use it to complete the appropriate carrier claims form. Once the superbill and claim is complete, we will submit the package to your insurance carrier. It can take up to 90 days to be applied to your deductible.
